

SERIOUS ABOUT CHILD SAFETY

Every year, over 450 children are killed or injured in accidents involving trucks.

Would your children or grandchildren benefit from a TACS demonstration at their school to teach them how to stay safe around trucks?

If so email the TACS team below or contact your site's TACS Demonstrator.

Your TACS Demonstrators are:

Contact your TACS Demonstrators for more information

or email: talking.tacs@dhl.com
