Confirmation of Corporate Insurance Coverages

Deutsche Post DHL's insurance programme is confidential and proprietary, and details cannot be released. However, Deutsche Post DHL (DPDHL) maintains insurance coverage with limits commensurate of a global company operating in over 200 countries.

This letter is to warrant that Deutsche Post AG and subsidiary and associated Companies, including but not limited to Companies operating under the brands DHL Express, Post & Paket Deutschland, DHL International, DHL Freight, DHL Global Forwarding, DHL Supply Chain, DHL Global Mail, Exel, DHL eCommerce Solutions, DHL Parcel and Triliar Limited, maintains corporate insurance protection for the class of insurance as listed below.

Due to practical administrative considerations and the global nature of the business it is not possible to specifically evidence such coverage by producing certificates of insurance. However, DPDHL gives an undertaking to maintain such insurances in force during the term of the agreement.

DPDHL's Corporate Insurance Policies provide cover for known and declared risks only.
